Fashion Tips

5 Rules you should
never break
(thanks to In Style Mag)

1. Never show visible
panty lines— *hence
the need for Spanxx*
2. Just because it's
trendy doesn't mean
you should wear it—
act your age!
3. Don't bare your mid-
riff unless you are at
the beach—*do I
really need to tell you
this?*
4. Never buy shoes that
don't fit— *your
mother was wrong
when she said "you
can break them in!"*
5. Don't pay attention
to sizes—*always take
2 sizes in the dress-
ing room!*
